SUPPORT SERVICES

Launched in 2003, the PCCS Support Services program helps struggling students succeed.

These Services are characterized by low student/teacher ratios, specialized materials, adaptive curricula, varying pace, and teachers experienced in addressing various learning challenges. Consulting and supervisory services are performed by our Support Services Specialists including evaluation of learning difficulties through prior/current records review, observations, monitoring, scheduling adjustments, Personalized Education Plan (PEP) development, teacher conferences, communications with parents and upper school students. *To cover these additional costs, esp. lowers student/teacher ratio, PCCS Support Services necessarily includes a surcharge added to the above Tuition rates on a class-by-class basis:*

- **MI COURSES:** These incorporate Modifications to content, instructional strategies, and pace in a smaller class for eligible students with a PEP: **\$400/class** per semester (*\$625/class per semester for individualized one-on-one instruction*)
- **AI COURSES:** Courses utilize the same content as mainstream core classes with Support Services Specialists assisting teachers to incorporate various Accommodations as specified in a PEP for eligible students: **\$250/class** per semester
- **TUTORING*:** **\$10/group** tutoring session, **\$20/individual** tutoring session (billed by the semester)
- **ONLINE INTERVENTIONS*:** Fast ForWord or Nessie Reading per student license fee/each: **\$350**
